§ 1206.40

Subpart E—Applying for NHPRC Grants

§ 1206.40 What types of funding and cost sharing arrangements does the Commission make?

- (a) Types of grants. (1) Matching grant. A matching grant is a way to demonstrate shared Federal/non-Federal support for projects. We will only match funds raised from non-Federal sources, either monies provided by the applicant's own institution specifically for the project or from a non-Federal third-party source.
- (2) Outright grant. Outright grants are those awards we make without any matching component.
- (b) Cost sharing arrangements. (1) For publications projects that first received NHPRC funding prior to 1992, the Commission will supply as much as 75 percent of the direct costs.
- (2) For publications projects funded after 1992, the Commission will provide no more than 50 percent of direct costs. We will give preference to projects for which the sponsoring institution bears at least 25 percent of the direct costs. For short-term (i.e., 3 years or less) publications projects, we will give preference to applicants that provide at least 50 percent of the project's total direct and indirect costs.
- (3) For records projects, the Commission will give preference to projects in which the applicants provide at least 50 percent of the project's total direct and indirect costs.
- (4) We prefer the applicant cover indirect costs through cost sharing.

§ 1206.42 Does the Commission ever place conditions on its grants?

In making its decisions on grants, the Commission may place certain conditions on its grants. We describe those possible conditions in the booklet Grant Guidelines: How to Apply for NHPRC Grants, How to Administer NHPRC, National Archives and Records Administration, 700 Pennsylvania Avenue NW, Washington, DC 20408-0001, or contact us by e-mail at nhprc@nara.gov.

§1206.44 Who may apply for NHPRC grants?

The Commission will consider applications from State and local government agencies (Federal agencies are not eligible to apply), U.S. non-profit organizations and institutions, including institutions of higher education, Federally acknowledged or state-recognized Native American tribes or groups, United States citizens applying as individuals rather than for an organization, and State historical records advisory boards. Most NHPRC grants to individuals are awarded under its fellowship programs. In general, we prefer projects operating within a host institution.

§ 1206.46 When are applications due?

The Commission generally meets twice a year, and we consider grant proposals during our meetings. For current application deadlines contact the NHPRC staff or your State historical records coordinators (for records grant proposals). Some State boards have established pre-submission review deadlines for records proposals; further information is available from your State coordinator(s). We will publish deadlines once a year in the FEDERAL REGISTER. All proposals must be postmarked by those deadlines.

§ 1206.48 How do I apply for a grant?

- (a) Contact the NHPRC staff. We encourage you to discuss your proposal through correspondence, by phone, or in person with Commission staff and/or, in the case of records proposals, with the appropriate State historical records coordinator before you submit the proposal and at all stages of your proposal's development.
- (b) Contact your State Historical Records Advisory Board.
 - (1) Contact is not necessary if:
- (i) Your proposal is for documentary editing and publication subvention projects;
- (ii) You are a Native American applicant: or
- (iii) Your project will largely take place in more than one state.
- (2) Staff contacts and a list of State historical records coordinators may be found on our Web site at http://www.nara.gov/nhprc.
